Sinking Fund Tracker

Review month: _____ Account balance: $_____

Fund	Target ($)	Saved ($)	Months left	Monthly ($)

Monthly contribution = (target - amount already saved) / months remaining.

Illustration: ($600 - $150) / 9 months = $50 per month.

Total allocated to funds: $_____ Total monthly saving: $_____

Record deposits and withdrawals. If several funds share one account, reconcile their total with the bank balance.
